FACULTY

Mr. Fuller conducts our band,
Low Brass Ensemble, and the
Woodwinds.

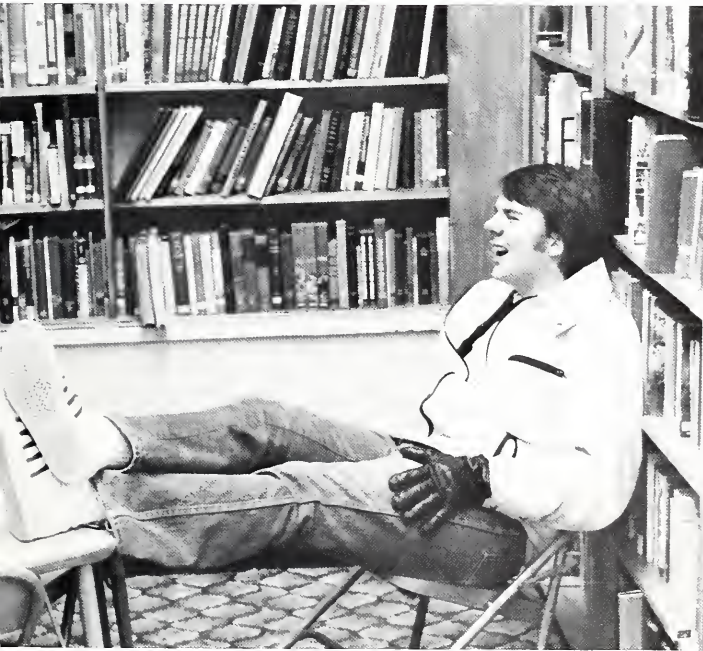

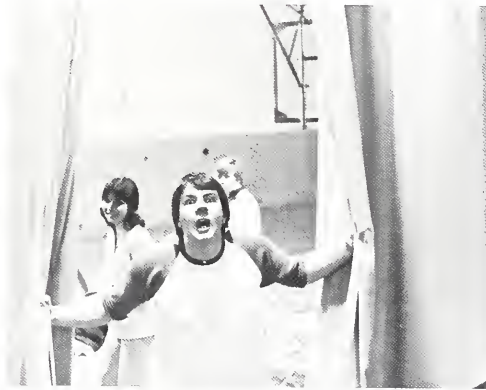

Mr. Chalker has been at G.L.A.
five years. He has taught Bible,
been A.Y.B.L. sponsor,
registrar, and Guidance
Counselor.

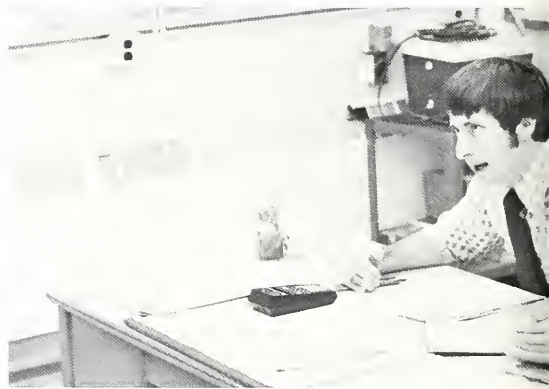

Mr. Miller is our newest addition
at the mill. He is active in
intramurals, loves to eat almost
anything, and is Junior Class
sponsor.

Mr. Magers has been here two years teaching Phys. Ed., Ceramics, and Health. He enjoys most any sport.

Elder Mohr has been with the Mill many years, running the program there which helps many students pay their way.

Mr. Oetman transferred from the nearby Lansing Church School to good old G.L.A. He teaches Bible III and is the principal. The school has benefited from him.

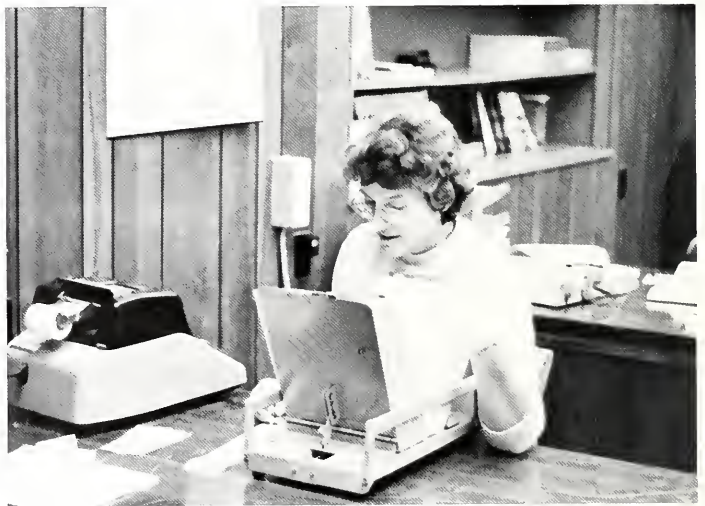

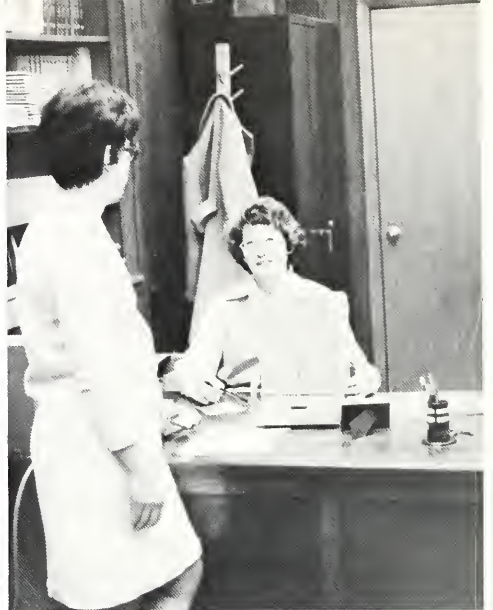

Mr. Stout keeps the schools roads clear in the winter. He is a friend of a lot of the students, too.

The New Englander, Mr. Beckwith, teaches math, American History, geography, and English II. He is the S.A. sponsor too.

Fresh out of grade school came Ms. Rich to G.L.A. She teaches English, is librarian, and is Yearbook Sponsor.

If you have put two and two together you probably already know that Mrs. Woodruff is our new bookkeeper. Besides playing the piano she likes to write articles and has had several of them published in the Review. She says her whole family likes outdoor activities. Mr. and Mrs. Woodruff served in the African mission field in Sierra Leone where her husband was mission president.

Mr. Sotala is completing his 8th year of choir instruction. Among numerous requests for silence, he teaches us how to better use our voices for praising the Lord.

Mrs. Link is the cook at G.L.A. She faithfully prepares all our meals. She also bakes bread and sells it, and is in charge of the wire industry.

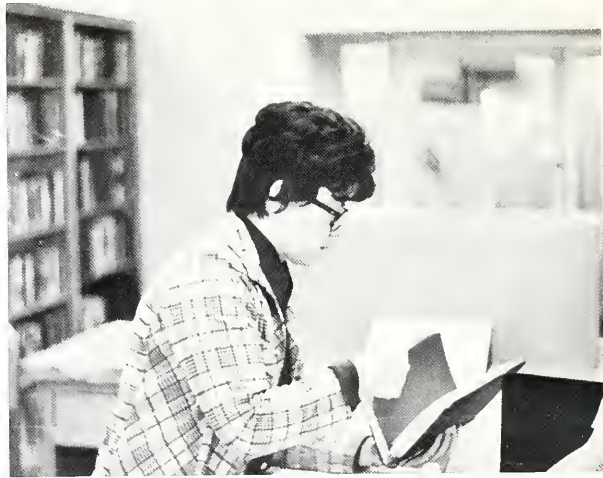

Mr. Black is an alumnus of G.L.A. He came back 4 years ago to teach science and industrial education classes. He enjoys photography, collecting salt water fish and water skiing.

Mrs. Grant has survived her second year here at G.L.A. She teaches the business and typing classes and is dictator over fifth period study hall.

She enjoys sewing, crotcheting, and reading.

Mrs. Hamrick serves as secretary to our principal as well as teaching Home Ec. and giving piano lessons. She is an accomplished concert pianist as is her husband.

Mr. Parks has lived here longer than there has been a G.L.A. He is our regular fix-it and repair man. His wife was formerly our cook and they both love the school very dearly.

RELIGION

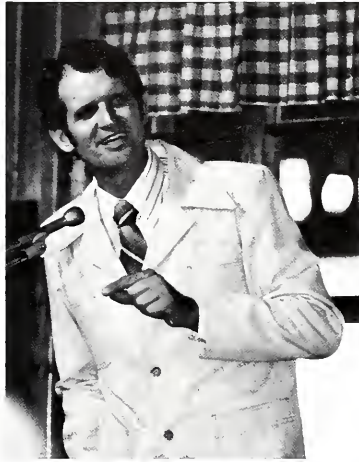

TO LEAD IS TO . . .

On the weekend of Oct. 2 a group of 13 student leaders and 3 faculty from GLA went to Camp Au Sable for a student leadership seminar. Elder Jake Duran, a Bible teacher from Newbury Park Academy, spoke on the subjects; To Lead is to Know, To Lead is to Follow, To Lead is to Love, and To Lead is to Decide.

Other enjoyable activities included singing, hiking, air hockey, and letting a deer lick our fingers.

FALL WEEK OF PRAYER

On November 8-12, Brad McIntyre, a young man in his early 20's, from Appleton, Wisconsin, came to GLA for our Fall Week of Prayer. We had fun singing and listening to him sing and play his guitar. He also gave some interesting short talks. We enjoyed his friendliness and the way he tried to get to know us all.

BIBLE CAMP '77

Bible Camp this year was held in January. Our quest speaker, Don Williams, centered his talks on "Getting to Know Yourself Better." The meetings were highlighted by a rousing chorus of song, led by such students as, Allen Ivey, Sims Clements, Vicki Lewis, Shelly Swainston, and Craig Blackerby. The big-question at Bible Camp was, "What are you?"

Bong-bong, crack, and slam were heard, along with well vocalized screams of delight and irritation as the students played air hockey, ping-pong, and foosball; a few of the varied activities available at Bible Camp.

We had communion this year in the afternoon on Sabbath. The tables were arranged in the shape of a cross, to signify Christ's death on the cross. Communion was followed by some hours of fun and games-ping-pong, air-hocky, rook, etc. Then a movie was shown.

Where to now?

Andrews University provides professional counseling and testing services to help you decide. The College of Arts and Sciences and the College of Technology offer over 155 programs of study.

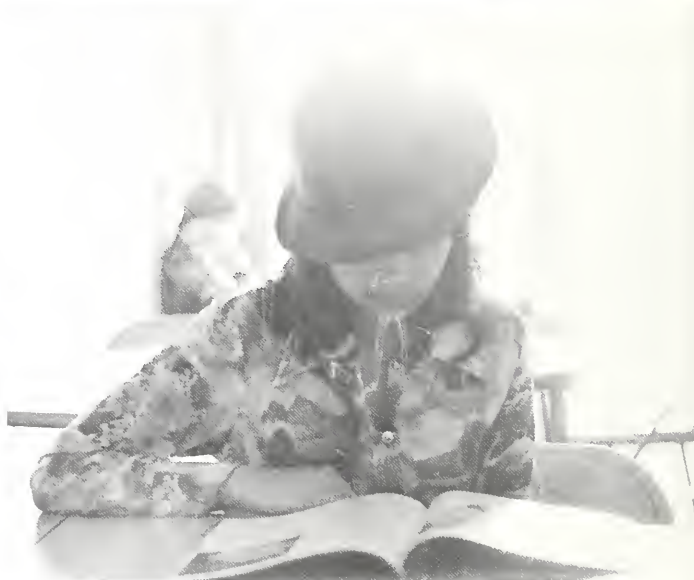

Let Andrews help you answer the question, Where to now? Write the Director of Admissions, Andrews University, Berrien Springs, Michigan 49104.

SPRING '76

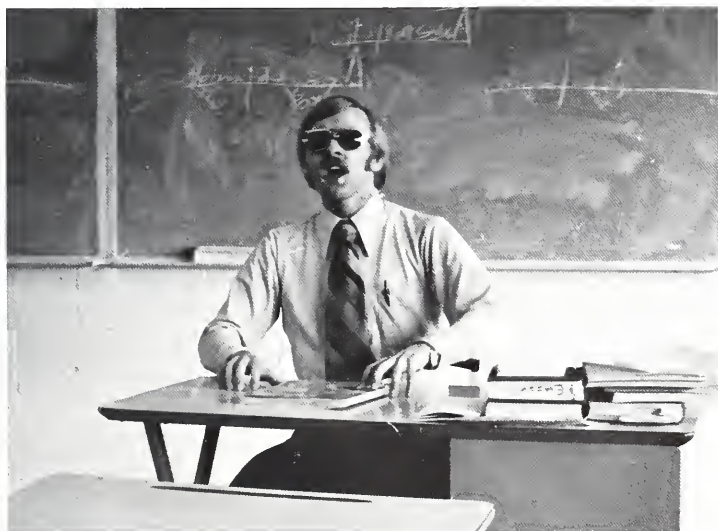

This year we decided to have a spring section in our year book, since we never have pictures of graduation and other spring events of the previous year. We hope you appreciate our efforts.

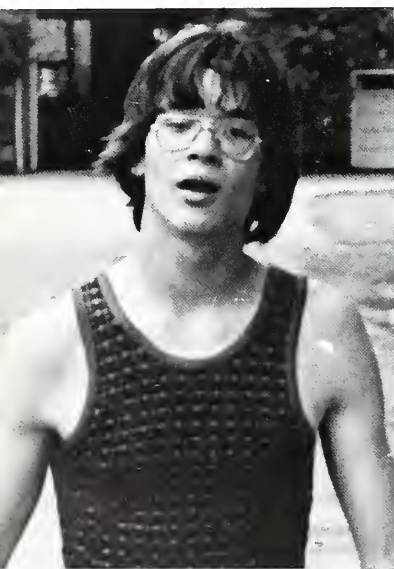

HAT DAY

NOSTALGIA DAY

WALK-A-THON

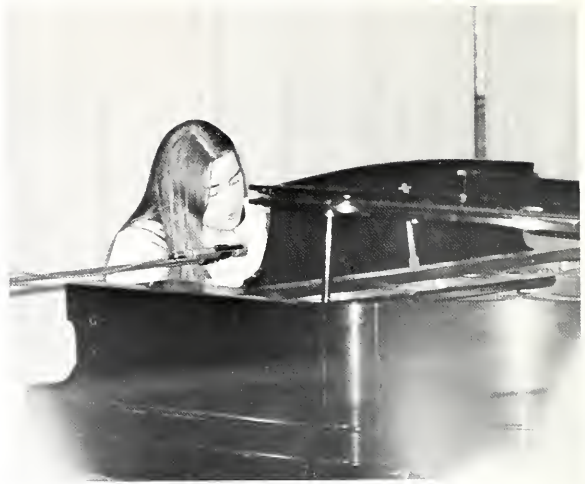

On May 16 we had a walk-a-thon to earn money for The Michigan Heart Association and The Academy. We earned \$1200. It was a fun way to earn money for a good cause.

AMATEUR HOUR

SENIOR CLASS TRIP

The Senior Class of '76 spent their class trip at Hocking Hills State Park. They enjoyed the scenery, exploring caves, Chinese fire drills, night-hawking, and screaming hysterically at Mr. Magers (when ever they stopped at gas stations) "Daddy daddy I gott'a go pottie".

GRADUATION '76

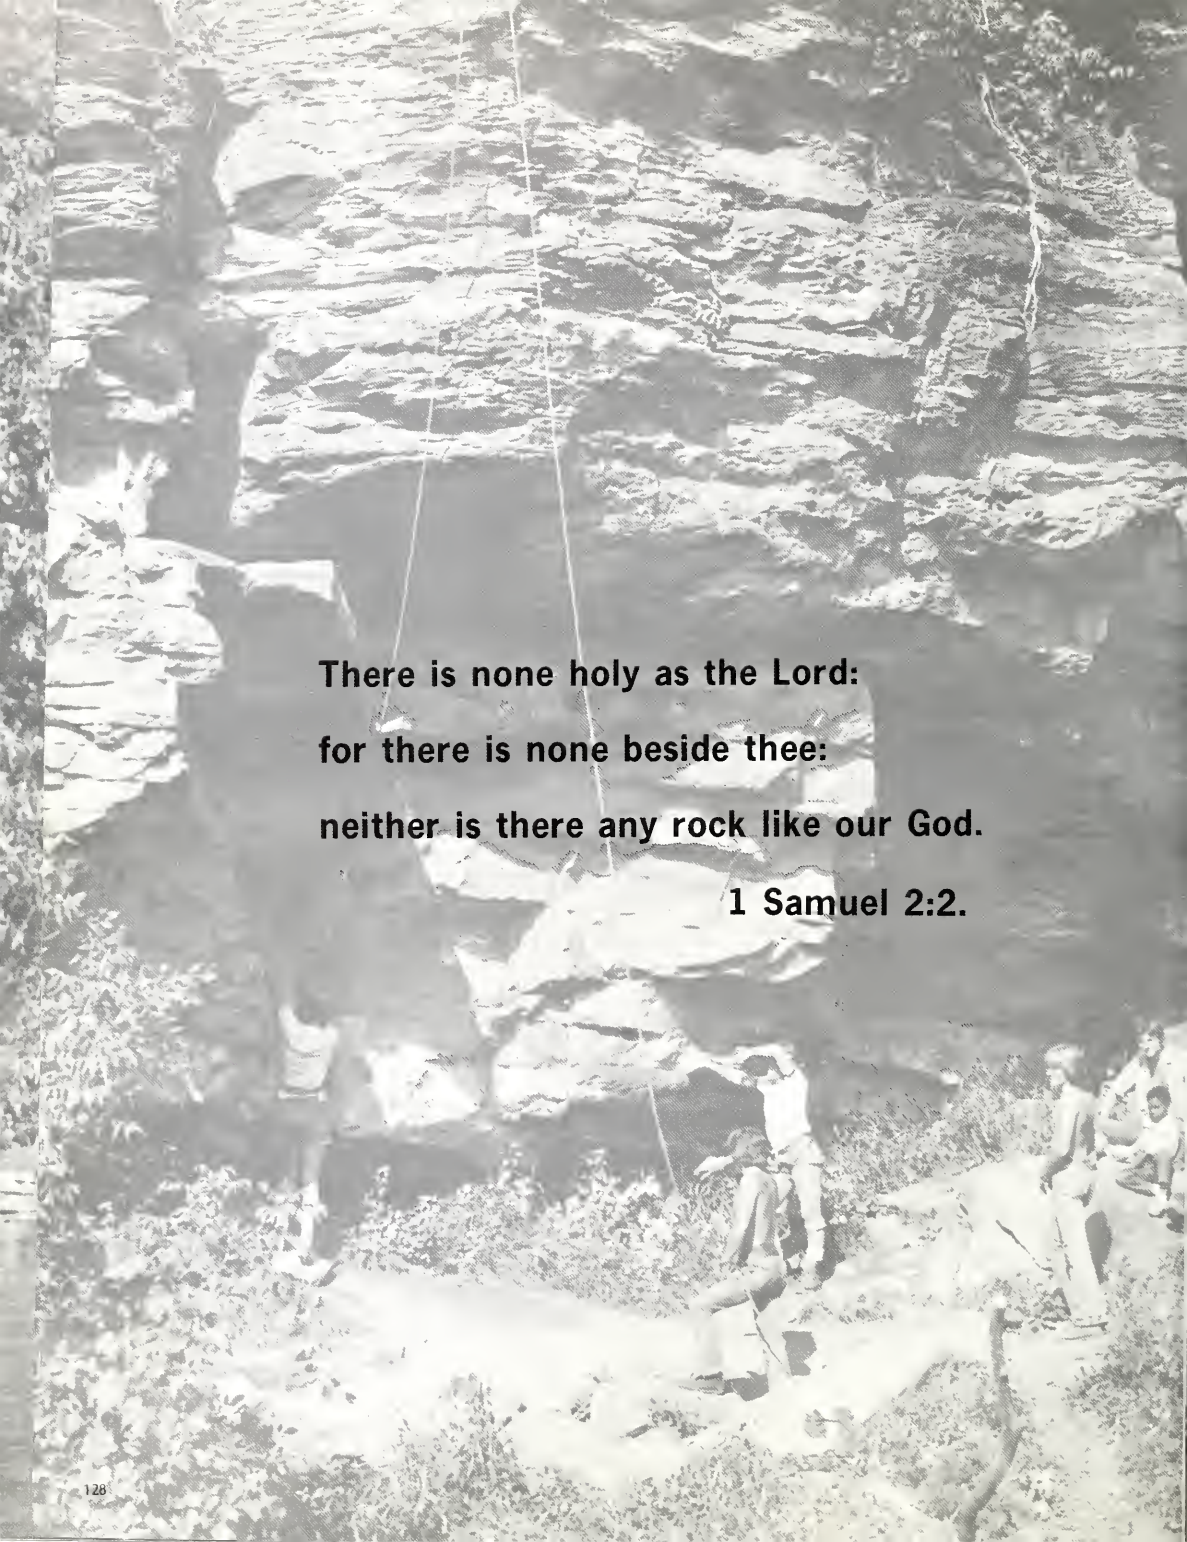

The air was filled with excitement as the Senior's of '76 went through the finalization of their high school years and entered their life ahead of them. Special speakers and entertainment helped make the last weekend in May a memorable one.

**There is none holy as the Lord:
for there is none beside thee:
neither is there any rock like our God.**

1 Samuel 2:2.
